**DISCLOSEABLE TRANSACTION
DISPOSAL OF 51% EQUITY INTEREST IN
SHENYANG ZHIYING PHARMACEUTICAL CO., LTD.**

Reference is made to the announcement of the Company dated 19 November 2014 in relation to the acquisition of shares constituting 51% equity interest in the Target.

Subsequent to the completion of the Acquisition on 30 December 2014, the Group was unable to reach consensus with Shenyang Huachuang on the future strategic direction of the Target including but not limited to the proposed termination of certain distribution agreements signed by the Target. The Directors take the view that as a result of the difference in opinion, it would be impossible or extremely difficult to integrate the Target into the Group successfully in a timely manner and therefore the previously expected benefits of the Acquisition will be materially and substantially undermined.

On 13 March 2015 (after trading hours), the parties to the Share Acquisition Agreement entered into the Share Transfer Agreement, pursuant to which Xiantao Pioneer agreed to sell, and Dianbai Fuhong agreed to purchase, the Sale Interest at the same consideration as stipulated under the Share Acquisition Agreement.

As one or more of the applicable percentage ratios (as defined in the Listing Rules) in respect of the proposed Share Transfer, exceed 5% but all the relevant percentage ratios are less than 25%, the transaction contemplated under the Share Transfer Agreement constitutes a discloseable transaction of the Company under Chapter 14 of the Listing Rules. It is therefore subject to the reporting and announcement requirements but is exempt from the requirement of shareholders' approval.
